Students are expected to comply with the College's student behaviour guidelines when traveling on the College bus. Repeated non-compliance may result in a student not being allowed to travel on the bus. Seat allocations and respective charges apply for a whole term irrespective of the number of times a week the College bus is used by students. Concessions are available for Year 11 and 12 students for Term 4 due to earlier finish of the school year.

The College also provides an AM and PM school bus route travelling between our Brooklyn Park and South Plympton Campuses. Similar to our other bus routes families can request a return ticket for this service or can request a one-way ticket only (AM or PM service). The cost of this bus service is the same as all our other bus routes and more information on this route is available from Student Services.
