CANTEEN PROCEDURES

Emmaus Christian College partners with Metro Canteens to provide convenient, healthy food options for our growing school community at South Plympton. Most lunch orders are placed online using the Qkr! App. We also accept EFTPOS and cash payments over the counter at the Canteen.

Ordering Online via Qkr! App:

- Download the free Qkr! By Mastercard app from the Apple or Android Store/s.
- Set up student profile/s, ensuring the correct class is listed for each child (this is especially important due to the different lunch times for Junior and Secondary School students).
- Cut off for ordering is **8:00am** on the day.
- Pre-order is available for up to 2 weeks in advance.
- Pre-orders can be cancelled using the app before cut off on the day, 8:00am.
- Junior school lunch orders will be sent to class in the class lunch box, daily at 12pm.
- Secondary school lunch orders can be collected by the student from the canteen at lunch time, daily at 1pm.

Ordering via Cash or EFTPOS:

- Orders can be made between 8.15am to 9.00am each day, using the paper bag order forms at the Canteen (or in Lunch Crates for Junior School).
- An EFTPOS machine is available at the Canteen.
- *Students are not permitted to use phones or smart watches to make EFTPOS payments.*

Emergency Lunches:

In the event of a forgotten or dropped/inedible lunch, the Canteen can provide the student with an Emergency Lunch. To access an Emergency Lunch:

- Junior School: Student (or their caregiver) should notify the classroom teacher as early as possible.
- Secondary School: Student (or their caregiver) should notify the Canteen Manager as early as possible.

Parents will be notified of a redeemed Emergency Lunch and advised via SEQTA of money owed to the Canteen, which is payable via Qkr! using the "Money Owed to Canteen" menu.

To Pay For An Emergency Lunch:

- Open Qkr! App
- Select "Money Owed to Canteen" menu
- Enter amount owed for emergency lunch (this will be specified in your SEQTA notification)
- Follow the remaining prompts to make payment. The school will automatically receive notification that the outstanding amount has been paid.
