

Enrolment Agreement

Child's Name.....

During my enrolment interview, it has been explained to me that, if an enrolment position at Emmaus Christian College is offered, my child will be required to take part in certain activities in addition to the general curriculum. I also understand and accept the College's approach towards the matters outlined below. I understand that as a parent/ guardian of a student at Emmaus Christian College, my role is to support the College in these areas as the College in turn supports my child. These are key aspects of school life that assist in developing the whole child as a part of our wider Christian community, and as such are a requirement of enrolment at Emmaus Christian College.

I agree to support the College's approach in the following areas:

- Daily Christian devotions
- Christian Education classes
- Weekly assemblies including worship, the reading of scripture and prayer
- Recognition and celebration of Christian events
- Holy Communion (age appropriate)
- Attendance and participation in College events including speech nights and sporting events
- Participation in acts of service, kindness and outreach as opportunities are made available
- Attendance at compulsory College camps from Year 2
- Health and wellbeing education addressing sex, drugs and mental health matters (at an age appropriate level)
- Wear the College uniform correctly as detailed on the College website (including following the College's position on make-up, jewellery and hair style/length).
- Upholding the behaviour management policy and procedures of the College and being supportive of College responses to behavioural incidents
- Full access to the Student Wellbeing and Pastoral Support offered by the College

I agree to respect, support and accept the College's class placement decisions for my child.

I understand regular school attendance of my child is critical for their education and accordingly agree to not take my child out of school for reasons such as extended travel (greater than 5 days) without prior written school approval. A minimum of one month in advance is required.

The College Library books are made available to students with an awareness of student age and maturity, providing options that stretch thinking on a range of writing styles and viewpoints. As a consequence, although the College library collection may differ from public library collections because of our Christian worldview, it will not automatically preclude books that are not written from a Christian perspective.

If my child is entering Emmaus Christian College at Foundation and was born after January 31 (making them less than 5 years old at commencement), I understand that the College may undertake a school readiness assessment prior to commencement. I understand that this may result in the College deferring any offer of enrolment to the subsequent year and that it is my responsibility to adjust ELC arrangements accordingly.

I have provided the College with all professional reports relating to supporting my child's learning, behaviour, physical needs and/or general participation at school. I agree to continue to provide up-to-date reports so that the College can support my child through his/her own learning journey by ensuring my child has an equal opportunity to access the curriculum and progress in his/her learning.

If my child is enrolled to attend Emmaus Christian College ELC, I understand that withdrawal of the ELC enrolment may also be considered as a withdrawal of the Foundation enrolment.

Emmaus Christian College reserves the right to terminate the enrolment if it is no longer satisfied that there is a relationship of trust and confidence, communication and cooperation between the College and the family.

I have viewed and agree to fully support the College's Vision and Philosophy and 'Statement of Faith' and am not affiliated with a faith tradition or Church whose beliefs are in direct contrast to those of Emmaus Christian College as outlined in the Emmaus Statement of Faith. I agree to cooperate with the school authorities in all matters of discipline and to support all requirements of the College.
