College Bus Service

The College offers a before and after-school bus service for students attending the South Plympton Campus, which services the Southern and Western suburbs and we also provide a pick-up/drop off link for students using the train.

Students are expected to comply with the College's student behaviour guidelines when traveling on the College bus. Repeated non-compliance may result in a student not being allowed to travel on the bus. Seat allocations and respective charges apply for a whole term irrespective of the number of times a week the College bus is used by students. Concessions are available for Year 11 and 12 students for Term 4 due to earlier finish of the school year.

As of 2025, the College is expanding its bus service and will provide an AM and PM route travelling between our Brooklyn Park and South Plympton Campuses. Similar to our other bus routes families can request a return ticket for this service or can request a one way ticket only (AM or PM service). The cost of this bus service is the same as all our other bus routes and more information on this route is available from Student Services.

Seat allocations for all bus services are managed through Student Services, with further information on the bus routes and timetables available from Student Services via spstudentservices@emmauscc.sa.edu.au

Charges are as follows:

Bus Travel	Return	One Way
Bus (all routes)	\$285 per term	\$205 per term

An Enrolment Fee of \$300 per student is payable on receiving a Letter of Offer. In addition, for students enrolling in Foundation a further \$250 deposit is payable, which will be offset against Tuition Fees and Charges.
