### Dear Families and Friends

What a busy few weeks we have had in the lead up to and the celebration of Easter! It was a privilege to facilitate a number of Easter activities for our students to engage with, across the school grounds, giving visual representation and reminder of the sacrifice of our Lord and Saviour Jesus Christ.

There were many profound moments in observing and leading student groups through these various stations. However, there were two things that particularly stuck in my mind. The first is the enormity of the sacrifice and suffering that Jesus endured for us. The second is His willingness for all to come to Him.

The cross, a tool of pain and suffering, was and is an enduring symbol of the Christian faith. Words such as cruel, inhuman, and barbaric come to mind as one thinks of its usage. Jesus willingly surrendered his life, shedding his blood and having his body bruised and broken upon the cross at Calvary. As he did so he transformed the ugly ignominy of the cross into new words of descriptive transformation; replacing cruel, inhuman and barbaric, with words such as life giving, divine and peace.

It is only because of the death and resurrection of Jesus Christ that we can have a relationship with God the Father. In **1 John 3:1** "*See what great love the Father has lavished upon us, that we should be called children of God. And that is what we are!*"

It was indeed such great love that Jesus had in his heart, such that he did indeed endure the cross for the sake of all creation. It is because of this that I am a child of God. You are a child of God.

In light of the world changing event that occurred upon that cross, all of creation is invited to come into relationship with God the Father. We read in **Romans 10:13** that "*everyone who calls on the name of the Lord will be saved.*" There is no qualifier for this. There is not a list outlining the requirements to meet, before you can come and experience the saving grace of Jesus. It is simply come. How often though, do we lose sight of that in the busyness of our world? We allow huge demands upon our time. One can easily engage in self-analysis of personal failings and apply a liberal measure of guilt, such that we do not think to call upon the name of the Lord. I know that I have certainly done so.

But upon seeing the often joyous faces and inquisitive passionate reflection, thought, and response of our students to the Easter activities before them, I can but not be moved to frequently and readily call upon the name of the Lord. One of the ways in which we can do this is through prayer.

Prayer is quite simply communication with God, talking with Him. It may be a simply one word request, 'help'. It may be heartfelt gratitude, 'thank you'. Perhaps it may be pouring out ones heart before God, interspersed with tears or laughter. Whatever it may look like in your life, I encourage you to do so. Call upon the name of the Lord. Over a thousand prayers were offered to God by our students over the course of two weeks, as they freely engaged with the Easter story. It was, and is, a powerful reminder that we can all come to the Saviour however we are, in whatever condition we may feel in! I believe that God hears our prayers and eagerly desires for us to call upon His name.

May you be blessed this coming holiday break.

Peace to You and Yours,

**Adam Wood**

### Easter in the Mall

What a delight it was to witness our students sharing the Gospel to the Community of Rundle Mall in the week before Easter. I felt proud to be working at Emmaus and continue to be amazed at how well our children sing! An older lady approached me in the Mall to say it was SO GOOD to have some positivity in the Community. She was effervescent in her praise of the event and planned to ring Rundle Mall Committee to tell them so!

### Parent Teacher Interviews

All teachers wish to extend their appreciation and gratitude to parents for attending Parent Teacher Interviews. We have had very positive feedback about the evening being held in the EPAC. Thankyou.

### Parent Representatives Afternoon Tea

It was a delight to host an Afternoon Tea for the R-6 Parent Representatives last Thursday afternoon. We enjoyed an afternoon of getting to know each other with the theme from **Isaiah 6:8** "Here I am Lord. Send me!"

Our time focussed on sharing and identifying the significant impact that small acts of kindness can have on people within our Community.

Staff wish to extend their thanks to Parent Representatives for supporting in our Community by taking on these roles.

(Back row) Emma Broadbent (Rec WG), Robyne Nagel (3/4S), Anj Grierson (3/4V), Jennifer Crabb (5/6C), Rachael Catford (1/2S/W), Tam Battersby (5/6B), Lorraine Scott (1/2SW), Peta O'Loughlin (5/6CW & PR Coordinator), Candice Hanchett (Rec R), Aleks Darwin (2C).  
(Front row) Katherine Papazoglou (3/4D), Helen Vonow, Maricel Becirovic (Assistant to 3/4V).

### Parents Day

Our dress rehearsal for Grandparents Day occurred on Monday morning from 8.35am to 10.15am. Thankyou to the many parents who were able to come along and see their children's work in the classroom and subsequent performance in the EPAC. We look forward to sharing photos from Grandparents Day next Term.

### Casual Day - Friday 13<sup>th</sup> April

Money raised from gold coin donations on this day will go towards Wycliffe Bible Translators who are translating the Old Testament into the Pitjantjatjara language for Indigenous people in Ernabella.

Please note: Appropriate dress is ESSENTIAL. No inappropriate slogans on T-shirts, no low-cut strappy or midriff tops, no see-through clothing, no short shorts and NO THONG type shoes allowed. This is particularly relevant to 'Home Ec' & 'Tech' lessons where this becomes a safety issue. PE Students need to bring appropriate sports shoes.

## ***Sporting News***

Term 1 is nearly done and dusted and what a term it has been. All intra College Swimming, Sports Day Carnivals, SACSA Table Tennis, SACSA Secondary Athletics, Water Safety Week and Cricket Clinics have now concluded.

Our student representative teams have achieved some exceptional results which has been very pleasing to observe and hear about. Besides the results, the conduct of our students is what many other competitors and schools have noticed this year. Arriving at venues in correct uniform, walking in together as a team, supporting one another and displaying appropriate sportsmanship to all opponents are all facets of sport that Emmaus students are being recognised for. These facets are all important in developing a successful sports culture, which we value greatly. This was all evident at the recent Secondary SACSA Athletics Carnival in which we finished fourth overall, 22 points off first place. A team first approach will always prevail over an individual first approach, and together the students can achieve so much more this year and beyond.

Looking ahead to Term 2, there will be many extra curricula sporting options offered to students. Information for the Saturday morning Primary Soccer competitions will be sent out soon. Primary and Secondary Netball, Middle School Girls 9-a-Side Football, Middle School Boys Outdoor Soccer and Church Basketball information has already been made aware to families and students. Internally we aim to offer AFL clinics for Junior students. Information for Badminton and 3v3 Basketball competitions for Middle/Senior school will be sent out early next Term. We also have SACSA Sport Team Trials commencing next Term for Middle/Senior Netball, Basketball and 9-a-Side AFL.

If you have any queries or need more information please contact myself or Steph Dolman via email and we will respond as soon as possible.

### **Student Achievement**

- Congratulations to Sam, Nathan and Matthew who play cricket for Southern Districts Cricket Club and won the Under 16 Whites District Cricket Grand Final against Woodville.
- Andrea had much personal success last soccer season winning individual awards which has paid off with being selected as a member of the Inaugural FFSA White City Women's FC Team (one of youngest players).
- Brad and Kevin are trialing for SAPSASA District Football. Brad is also trialing for state SAPSASA Basketball and AFL teams.

If your child has had any achievements in sport recently please email us details or a picture so we can acknowledge their achievement within the Emmaus community.

### **Overdue Library Books**

Overdue lists have been sent to Home Groups/Junior School Classes during Weeks 10 and 11. Please check with your child/ren to see if they have any overdue books and return them to school before the end of Term. Students may borrow during the holidays as long as they do not have any overdue books. Books that are required for longer can be renewed. Invoices requesting payment for any overdue books not returned by the end of Term 1 will be issued at the start of Term 2.

## Launch News

### CAT Competition

41 students from Years 5 - 9 participated in the Computational and Algorithm Competition on Tuesday 27<sup>th</sup> March. Students were given the opportunity to practice questions from previous years before the competition. Thank you to Mr Adrian Cotterell, Mr David Chu and Mr Wayne Kolster for their assistance in ensuring the competition ran smoothly.

On Thursday 29<sup>th</sup> March, Debating SA ran a very informative whole day workshop with 31 interested students from Years 5 - 7. Students came away feeling empowered with knowing how to define a topic, research evidence and formulate arguments. The day concluded with 3 mock debates. Emmaus has now entered 8 teams from Year 5 to Year 9 in the 2018 Debating Season starting next term.

### Oliphant Science Awards

Students from Reception to Year 6 have the opportunity to do independent research in the field of Science and present their findings in a multitude of ways:

Science Writing; Scientific Inquiry; Games; Multimedia; Computer Programming; Robotics; Models & Inventions; Photography and Posters.

More information can be found at [http://www.oliphantscienceawards.com.au/about\\_the\\_oliphant\\_science\\_awards](http://www.oliphantscienceawards.com.au/about_the_oliphant_science_awards)

Important to note: If you would like the opportunity for your child to participate, please obtain an entry form from me as soon as possible. Registration paper work ONLY has to be completed and returned to the College by Thursday 14<sup>th</sup> June for processing.

NOTE: Completed Science entries are not due until the end of Term 2 or early Term 3 depending on the category your child has chosen to do their scientific research in.

### One Minute Film Competition

Over 25 students have expressed an interest in making a 60 second film on the subject of 'Memory'.

The competition is open to ALL ages. It is not too late to enter and it might be a great project to pursue in the holiday break with friends. It is due on Friday 3<sup>rd</sup> August.
