1 Purpose

Emmaus Christian College and its Students' Parents/Guardians understand that educating children is a process that involves a partnership between parents/guardians, the College, and the Christian Church. This partnership works to achieve God's goal of training up a child in the way they should go and when they are old they will not depart from it (Proverbs 22:6). Parents/Guardians are commanded in Scripture to not exasperate their children, but to bring them up in the training and instruction of the Lord (Ephesians 6:4). No discipline seems pleasant at the time, but painful. Later on, however, it produces a harvest of righteousness and peace for those who have been trained by it (Hebrews 12:11).

Emmaus Christian College encourages Parents/Guardians to actively participate in the life of and partner with the College in the education of their child/children.

The purpose of this Parent/Guardian Code of Conduct Policy is to reiterate details about Parent/Guardian expected behaviour and conduct and for Parents/Guardians to uphold, live out, and encourage the College's values. Doing so will see the College learning community achieve its purpose and goals in peaceful mutual understanding and collaboration.

The College's Values are;

Faith – nurturing a Christ-centred faith and lifestyle;

Learning – cultivating a lifelong love of authentic learning;

Community – fostering authentic Godly relationships;

Service- encouraging acts of service at College and in the wider community.

Emmaus Christian College is committed to ensuring a Christ-centric, Christ-honouring respectful learning environment that is welcoming, safe, and supportive of all students as well as staff and all other stakeholders of the College.
