

Uniform Guidelines

Inspiring hearts, inspiring minds.

Introduction

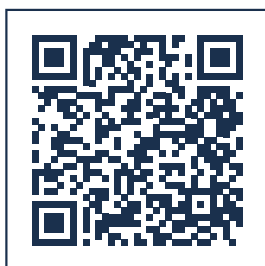

Our College uniform gives students a sense of belonging and pride in their school community.

When students are in College uniform, they are representing our College, therefore we appreciate parent support by ensuring the uniform is worn correctly and kept in good condition.

The Emmaus Christian College uniform and accessories are unique and only available for purchase at the College Uniform Shop located at South Plympton Campus.

We understand the cost of a complete College uniform is a large financial outlay, so we have made every effort to source the lowest prices balanced with durable, high-quality fabrics.

Uniform Expectations

Regardless of the number of days a student is able to wear their Sport uniform, all students are required to have a full set of the regular College Summer and Winter uniform.

When students represent the College at an event (e.g., an awards ceremony, inter-school competition, or performance), they are required to wear the 'formal uniform' as determined by the Head of School. Secondary Boys are required to wear trousers and can purchase these from the Uniform Shop for these occasions if necessary.

There will be occasions, including sport tryouts, when changing is required during the course of a school day and students will be made aware of these occasions as directed by the Head of School.

Students may wear their Sports uniform on the days they have Sports lessons.

In addition to this:

Year 7-9 Dance and Drama: Students may wear their Sports uniform on days when Dance and Drama is taught.

Year 10-12 Dance: Students can wear the sports uniform to and from school and change into black athletic wear for the lesson.

Year 10-12 Drama: Students wear formal uniform to and from school and may wear shorts underneath their dress for lessons. Purchasing the sports uniform is not a requirement.

The summer uniform is to be worn during Term 1 and Term 4.

The winter uniform is to be worn during Term 2 and Term 3.

During Terms 2 and 3, the Summer uniform is permitted when the temperature is 24°C or over, as forecast by the BOM at 4pm the day prior.
