

Secondary School Science Teacher

Position Title:	Secondary School Teacher
Job Reference:	260804
Reports To:	Line Manager: Principal – Secondary School, South Plympton Supervisor: Science Coordinator (7-12)
Nature of Employment:	Fixed term full time contract (1.0FTE)
Dates:	January 2027 – December 2027

College Overview

Emmaus Christian College is an independent, non-denominational Christian school. We provide high-quality Christian education to children and young people from Christian families who are actively involved in their local church, and to other families who fully support their children's involvement in the Christian teaching, life, and expression of the school.

Our College operates as one school supported by a centralised leadership team, offering a continuous and seamless education pathway from Early Learning to Year 12 across three locations: Brooklyn Park Campus (Early Learning to Year 6), South Plympton Campus (Foundation to Year 12), and the Reynella Early Learning Centre.

Through providing excellence in education, our aim is that young people will:

- **Belong** – to know others and be known
- **Flourish** – to discover and grow into who they are in Christ
- **Think** – to build their knowledge, apply their skills and discern the truth
- **Respond** – to respond to the call of God in their lives

Key Purpose

The Secondary School Science Teacher is responsible for teaching Science classes across the Secondary School at our South Plympton Campus. Teachers at Emmaus work pastorally within a sub-school and contribute to their faculty team/s. They have support from teaching colleagues and school administration staff as they support the needs of students in their class.

Key Responsibilities

- Teach Science across the Secondary School (Years 7-12). Expertise in one of the following is necessary; SACE Physics, SACE Psychology or 7-10 Mathematics.
- Provide excellent teaching and learning opportunities for students.
- Work cooperatively with colleagues in a team setting providing a curriculum which is challenging and engaging for students.
- Work in collaboration with other staff to ensure a distinctive Christian education by motivating, inspiring and aligning practice with the College Vision, Mission and Values.
- Encourage students in a positive and supportive learning environment where student achievements are acknowledged.

- Support and encourage a strong sense of community in the College.
- Teach other classes across the Secondary School at the direction of the Line Manager or Head of School as required.
- If required, provide pastoral care for a Home Group, leading morning devotions in the Home Group as directed by the Principal, Secondary School.

Extra-Curricular and Co-Curricular Involvement (*expectations vary depending on the fraction of time employed*)

- Attendance at staff morning devotions and staff meetings.
- Attend Professional Learning sessions where necessary.
- Be involved in co-curricular programs of the College (e.g. Camps).
- Contribute to extra-curricular activities.

Working Relationships

Reports to the Principal – Secondary School, South Plympton and is supervised by the Science Coordinator (Year 7-12) within the Science Faculty. Will work closely with other teaching and administrative staff. Good relationships will need to be developed with staff, parents and students.

College Expectations

All staff are expected to:

- Be a committed Christian with a strong passion for Biblically-based Christian education.
- Contribute to the efficient and effective functioning of the team to meet College objectives by demonstrating appropriate and professional workplace behaviours, providing assistance to team members as required and undertaking other key responsibilities or activities as directed by the Principal or Line Manager.
- Perform their responsibilities in a manner which reflects and responds to continuous improvement.
- Support the policies and expectations of the College.

Selection Criteria

- A committed Christian with a deep desire to serve Jesus Christ as Lord.
- Demonstrated passion for Biblically-based Christian education.
- An appropriate qualification in Teacher Education, ideally with a major in Secondary School Science subjects.
- Expertise in one of the following is necessary; SACE Physics, SACE Psychology or 7-10 Mathematics.
- Appropriate qualification and training in safe laboratory practices.
- Demonstrated passion and ability to teach students across Years 7-12.
- A demonstrated ability to motivate and inspire young people to achieve their potential, catering for students with a range of learning abilities.
- Excellent interpersonal skills and experience in working with staff, parents and students.
- Demonstrated ability in problem solving, flexibility, priority setting and time management.
- Current Teachers' Registration, valid Working With Children Check, RRHAN-EC and First Aid certification.

Submitting Your Application

Closing Date: 9:00am, Monday 24th August 2025

Applicants should provide:

1. A written application that addresses the selection criteria outlined in the position description.
