College Overview

Emmaus Christian College is an independent, non-denominational Christian school. We provide high quality Christian education to children and young people who are from Christian families that are actively involved in their local church and families who fully support the involvement of their children in the Christian teaching, life and expression of the school.

Emmaus Christian College is one school, two campuses. The Brooklyn Park Campus provides Early Learning to Year 6. The South Plympton Campus provides Foundation to Year 12. Both campuses offer a seamless pathway to Year 12, where children who have completed Year 6 at Brooklyn Park, have guaranteed entry into Year 7 at South Plympton.

Our aim is that our students will graduate as confident and compassionate young adults, well-equipped to take their place in the world. We seek to foster a commitment to Jesus Christ and a passion to live life in such a way as to bring honour and glory to God.

As a Christ-centred College, it is essential that our beliefs are lived and modelled by our staff. Therefore, we seek to employ staff whose lives are a genuine reflection of their Christian faith.

We want our students to:

Belong	to know others and be known
Flourish	to discover and grow into who they are in Christ
Think	to build their knowledge, apply their skills and discern the truth
Respond	to respond to the call of God in their lives
